

Kaiser PFO is excited to announce this year's musical **Willy Wonka Jr.** There are 60 available spots in the show. The **first** 60 students (4th-6th grade) who register and audition will be cast. 6th grade students will have a 1 day advance opportunity to register. Please note: spots fill up quickly. Please read the important information below.

This experience will provide 11 weeks (60+ hours) of theater instruction provided by Braver Players Theater Company as well as the opportunity to perform for family and friends in a state of the art theater. A tuition donation of \$230 per participant is requested. The production of this play is not a fundraiser. Tuition and ticket sales are what mostly cover the cost of this wonderful experience. The \$230 represents \$3.85 per hour for over 60 hours of theater instruction.

Please carefully review the dates and discuss the commitment with your child. There are 23 rehearsal dates, including tech week. It is VERY important that your child attend ALL rehearsals, tech week and performances. If your child cannot make this commitment, please do not register for the play. We do not cast understudies and all roles cast are important to the success of the play. Please also note that all students will be expected to abide by a behavior contract with a three strike rule. If you have any questions please contact Play Communications Chair, **Anja Magnani** at [anja.magnani@gmail.com](mailto:anja.magnani@gmail.com)
